Summer Sun Supply offers a large assortment of tanning salon accessories and supplies at a manufacturer's direct price. We pride ourselves in quick response to your Spa's needs offering high quality products that will no doubt ensure your beds are kept in top shape.

Our specialty is acrylic replacements beds. We manufacture in Toronto, and have a complete inventory of stock sheets to ensure timely delivery. We use the highest grade of acrylic, "Spartech Polycast's SOLACRYL® SUVT" offering a 10 000 hour limited warranty!

3 Great Options to confirm your Acrylic Requirements:

Signage

Call Our Sales Team at Summer Sun Supply to coordinate acrylic signage and display solutions tailored to your needs!

1. Take the Measurements!

You'll need a flexible measuring tape, pen and paper

- Determine the style as noted in the chart at left
- Indicate the manufacture, style year and number of bulbs in bed
- Remove the acrylic from the tanning bed
- Measure the precise width and length to the 16th of an inch
Example 34 7/16"
- Note all slots, holes, bends or curves
- Indicate if the acrylic has existing facials, how many, measure the size and color
- Fax this Information to Summer Sun Supply at 905-663-9984

2. Call us!

Call Summer Sun Supply to setup an appointment for a service technician to visit your site. Each of your beds will be measured and documented for current and future orders. This method will ensure accuracy and future expedited deliveries. SERVICE CHARGE WILL APPLY

3. Send it in!

-Remove your existing damaged acrylic bed from the frame. Package as well as possible and send to our location in Toronto as noted. Once received measurements will be noted for current and future orders

● **Clear SOLACRYL® SUVT replacement acrylic beds**

Superior Clarity

SOLACRYL® SUVT is crystal clear, equaling the finest optical glass. It is, quite simply, the highest clarity acrylic available in the sun tanning industry. And it remains a high transmission of ultraviolet radiation for years.

Long-Lasting Guarantee

Spartech Polycast warrants SOLACRYL® SUVT for 10,000 hours- and will match any warranty in the industry. This long service allows for fewer replacements and lower labor costs which, in turn, means increased profits. Please refer to Spartech Polycast's literature for full warranty details.

● **Edge Lit LED Acrylic Signage**

Illuminated Corporate Logos

Create a professional "eye catching" look in your salon using our Edge Lit Signage. We can take your logo and light it up with any of our standard LED colors.

Writable – Erasable Surface

Write down your specials on our feature boards using erasable markers and watch as your customers focus their attention to the edge lit illuminated sign.

● **Custom Plastic Displays and Signage**

Call Summer Sun Supply for all your display and signage needs. We carry a full assortment of products for your industry in stock or have the ability to custom design and manufacture to suit your application.

● **Acrylic Cleaning Supplies**

Novus 1, 2 & 3 Acrylic Polish – Clean and restore your acrylics using Novus Plastic Polish. Novus 1 – Clean and Protect Novus 2 – Restore and Refinish – Novus 3 – Repair and Prepare. Contact Summer Sun Tanning Supply for more information.
